

Effective April 1, 2023 we will no longer participate in the Virtual StrongBox. Currently members log into It's Me 247 to view their documents by clicking on Virtual Strongbox under Member Services.

Please make sure to download any documents you may need before 4/1/2023. To view any **new** documents after 4/1/2023, you will click on:

Member is then prompted to select the document they are looking for. Notice here that “Loan Documents”, “Member Documents”, and “Receipts” are now available.

The screenshot displays a banking website's member dashboard. At the top, a teal navigation bar contains the logo "It's 24/7 Online Banking" on the left and the text "Manage My Security" on the right. The main navigation menu includes "Home", "Pay & Transfer", "Member Services", "Go Mobile", and "New Accounts". The user's name "JOHN" and a profile picture are visible in the top right corner.

The dashboard is organized into several sections:

- Feature of the Week:** A teal header with a list of features: Text Banking, Success Mobile for iOS, Success Mobile for Android, eAlerts & Text Notifications, and Custom Form, each with a right-pointing chevron.
- Member Offers:** A teal header with three offers: "Modify a Loan Payment", "Want to Skip a Loan Payment?", and "Apply for a Loan", each with a right-pointing chevron. Two orange arrows point to the right from the first two offers.
- Money Management:** A teal header with three options: "Bill Pay", "Quick Transfer", and "Schedule Transfer", each with a right-pointing chevron. One orange arrow points to the right from the "Bill Pay" option.
- eStatements:** A white box with the title "eStatements" and a paragraph: "View months worth of your monthly or quarterly statements anytime you'd like! eStatements are not only more convenient, but also safer and more eco-friendly than your traditional mailed statements!". Below this is a link for "Enrollment Preference" with a gear icon and a right-pointing chevron.
- My eStatements:** A white box with the title "My eStatements" and a list of document types, each with a right-pointing chevron: "Credit Card Statements", "Loan Documents", "Member Documents", "Account Statements", "Mortgage Statements", "Receipts", and "Tax Statements".

At the bottom right of the dashboard, a small text indicates "Page will timeout in 14:36".
